DEAR EDINBORO UNIVERSITY ALUMNI & FRIENDS

We are absolutely thrilled to welcome you to the 26th Annual Alumni & Friends Golf Outing. At Edinboro University, our focus is creating opportunities for intellectual and personal growth for all of our Fighting Scots. With your participation in one of our largest fundraising events that supports scholarships, you are taking an active role in ensuring success for EU students in the classroom and beyond.

As you enjoy this fun and competitive event, remember that every golfer here today is helping an EU student succeed. While your name may or may not be at the top of the leaderboard following today’s outing, you can be proud of your commitment to the EU community.

When you’re finished on the golf course today, join your Edinboro University classmates and friends for dozens of events centered on our Boro pride. Our Alumni Open House, Homecoming Parade and annual Fighting Scots Homecoming football game are designed to connect you with new and familiar faces as you share stories from your time at EU and create new memories.

Go BORO!

Respectfully,

Dr. H. Fred Walker, President
